SLO professional development opportunities abound. First, the upcoming Feb 6th FLEX Day has time built into the schedule for departmental assessment work.

9:00AM - 12:00PM Keynote address and Workshops centering around the FLEX Day theme: **Culture Shift: Innovation, Engagement, Achievement**

Keynote with Darrick Smith, Assistant Professor of Educational Leadership, University of San Francisco

12:00PM - 12:45PM: Lunch

12:45PM - 1:45PM: School/Division Meetings

**1:45PM - 2:45PM: Department-Based SLO Work**

Following school/division meetings. The SLO Committee hopes that departments will use this time to work on any of the following:

- discussion of data and results collected by assessment measurements
- implementation of course or program improvements
- discussion of any Critical Thinking ILO data collected at program level
- assessment work related to GE Area A or E
- scheduling assessments so SLOs are measured at least once every 3 years
- preparing now to meet the June 2nd deadline for SLO reporting
- any discipline specific SLO work

Additionally, the following professional development workshops will be held throughout the semester:

**Feb 27th, 3:00 PM in MUB 271: Going It Alone: Assessment strategies for the single section course.**
