DRAFT of Revised Mission Statement
John Carrese (7/23/12)

CCSF provides educational programs and services that promote successful learning and student achievement to meet the following needs of our diverse community:

Then list up to 7 bullets from current Mission Statement (work group needs discussion on how to indicate priorities within them)

To enhance student success, the college identifies student learning outcomes for courses, programs, certificates and degrees and assesses student achievement of those outcomes, regularly using those assessments of outcomes to improve effectiveness.

The college is committed to providing an array of academic and student development services that support students’ success, as well as intellectual, cultural and civic achievements.

City College of San Francisco belongs to the community and continually strives to provide accessible, affordable and high quality education to all of its students. CCSF serves as a sustainable community resource that is committed to reviewing our mission statement annually to ensure that our mission is central to institutional planning and decision making.
