2. Review of documentation and timeline required for October 15 Progress Report to ACCJC.
3. Review of current status and improvement plans for elements of the Proficiency Rubric.
4. Schedule next meeting
5. Parking Lot

Accreditation Recommendation #4:
To fully meet Standard II Student Learning Programs and Services, the team recommends that the college identify the intended student learning outcomes at the course, program, general education, certificate and degree levels, develop and implement assessments of student learning, and analyze the results of assessment to improve student learning. The results of ongoing assessment of student learning outcomes should foster robust dialogue and yield continuous improvement of courses, programs and services and the alignment of college practices for continuous improvement.
