| Registration | By providing Priority Registration to San Francisco Unified School Districts graduating seniors, average units enrolled, course completion and retention rates will increase by 10%. | • Analyze enrollment data from Banner.  
• Compare average units enrolled, course completion, and retention rates to previous years cohorts.  
• Conduct survey in September 2012 to students to evaluate the services and process. | • In May 2010, as part of a Pilot Program, early registration priorities were given to 390 SFUSD High School graduates who had completed the matriculation process. A data comparison was done between Fall 2009 SFUSD HS Graduates who received registration dates in mid-July and the Fall 2010 Pilot Group who received second day registration. Compared to Fall 2009, the total units enrolled in Fall 2010 by SFUSD High School graduates increased significantly by 56.61% from 2,617 units to 4,099 units. The average units enrolled increased by 42.46% from 8.96 units in Fall 2009 to 12.77 units in Fall 2010.  
• Results of the survey pending. | • Collaborate with other Student Services Units and Interested Academic Units to integrate improvements into next cycle.  
• The results of the survey will be used to streamline the registration process. | Ongoing | • Collaborate with other Student Services Units and Interested Academic Units to integrate improvements into next cycle.  
• The results of the survey will be used to streamline the registration process. |

*Attach summary of evidence (i.e. surveys, nattative from focus groups, etc.). Keep evidence for your records.*
