Provide the dates and times of all meetings held to date. For each meeting, please briefly describe the primary focus of the discussion that took place (1-2 sentences per meeting).

Describe your plans for addressing the recommendation. Include a brief paragraph describing each activity included on your timeline along with key dates for accomplishing those activities.

Summarize your progress to date on carrying out the activities described above where applicable. If you have completed any of these activities, please note the date on which it was completed and append the evidence or any products relating to the activity.

List any challenges you have encountered or anticipate facing with respect to addressing the recommendation.
