PRESENTER: Susan Lamb

SUBJECT: Approval of course and program actions recommended by the College Curriculum Committee

ITEM NO. 150625-VIII-B-392

RATIONALE/FISCAL IMPACT: Board Policy 6.03 provides that all associate degree credit courses, non-degree credit courses and noncredit courses are to be recommended by the College Curriculum Committee. Any courses that are properly recommended may be implemented only after the Board of Trustees adopts the recommendation.

The Curriculum Committee has been established in accordance with section 55002 of the California Code of Regulations, Title 5 Division 6 and is a part of the participatory governance structure overseen by the Vice Chancellor of Academic Affairs and the Academic Senate.

At its meetings on April 16 and April 29, 2015, the College Curriculum Committee approved 98 actions:

- Courses: 86 actions total (2 new courses, 56 course revisions, 18 course deletions, 10 updates to requisites)
- Distance Education Addenda: 8 actions total (3 new addenda, 5 addenda revisions)
- Majors and Certificates: 4 actions total (2 new certificates, 1 revision to a major, 1 revision to a certificate)

These meetings were the last meetings of the Curriculum Committee for the 2014-15 academic year. Overall, the Curriculum Committee approved 1352 actions during the year.

A list of approved actions is attached to this resolution.

LEGAL REQUIREMENTS: This agenda item is being presented in accordance with Board Policy and Administrative Procedure 8.06A – Procurement of supplies, equipment, and services as well as Public Contract Code 20651.
**ACCREDITATION STANDARD/S:** Approval of this resolution furthers the District’s compliance with accreditation Standards: II.A.2 – The institution assures the quality and improvement of all instructional courses and programs offered in the name of the institution, including collegiate, developmental, and pre-collegiate courses and programs, continuing and community education, study abroad, short-term training courses and programs, programs for international students, and contract or other special programs, regardless of type of credit awarded, delivery mode, or location; and II.A.2.a – The institution uses established procedures to design, identify learning outcomes for, approve, administer, deliver, and evaluate courses and programs. The institution recognizes the central role of its faculty for establishing quality and improving instructional courses and programs.

**ALIGNMENT WITH COLLEGE GOALS AND PLANS:** Education Master Plan

**RECOMMENDATION:** That the attached list of actions approved by the College Curriculum Committee are hereby approved by the Board of Trustees of the San Francisco Community College District.
