What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? (50 words or less; any portion of the statement beyond this limit will not be included.)

The most critical issue is hiring the League CEO, as change in long term leadership can be challenging. Additionally, as community colleges' roles & recognition expand, the League must continue its education policy leadership and advocacy and partner with others for the betterment of community colleges and students success.

What do you feel you can contribute in these areas? (50 words or less; any portion of the statement beyond this limit will not be included.)

For CCCT I served on CTE, ETP, and Accreditation Workshop committees; co-led a Conference session; wrote for Board Focus; and produced a video. State and local board experience and a career in community colleges help me contribute by asking key questions, identifying solutions, assisting in priority-setting, and making sound decisions.

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? (50 words or less; any portion of the statement beyond this limit will not be included.)

I think the two major issues CCCT and the League should focus on are: implementing the goals recommended by the Commission on the Future 2020 Vision and lobbying for California Community Colleges to provide necessary funding to fully implement Student Success initiatives and address an equitable funding formula.

What do you feel you can contribute in these areas? (50 words or less; any portion of the statement beyond this limit will not be included.)

With my 20 years experience working in higher education and experience as a trustee, I can offer my strategic planning and project management skills to assist with the implementation of goals and actions plan, and to lobby the legislature for CCCT and League initiatives.

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? (50 words or less; any portion of the statement beyond this limit will not be included.)

I believe the two issues are:
1. Funding or fees students pay for their classes;
and
2. Services for disabled students.

What do you feel you can contribute in these areas? (50 words or less; any portion of the statement beyond this limit will not be included.)

I believe that more advocacy on the part of trustees state wide is the answer. I would be willing to meet with the governor to make things better for all of the community college students.

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? *(50 words or less; any portion of the statement beyond this limit will not be included.)*

CCLC has recently undergone a change in leadership at the top. It needs to recruit and hire a visionary leader and develop a new strategic plan to lead California Community Colleges into the future. CCCT should play a central role in these efforts.

What do you feel you can contribute in these areas? *(50 words or less; any portion of the statement beyond this limit will not be included.)*

I have been an active CCCT board member for six years. I taught the Board about student success, co-chaired CCLC’s Commission on the Future of Community Colleges, served on the CCLC Board of Directors and co-chaired the League’s Organizational Task Force. I was recently nominated as CCCT’s vice president.

What do you see as the major issues and activities that should be considered by CCCT and the League in the next two years? (50 words or less; any portion of the statement beyond this limit will not be included.)

The League is currently in a state of transition. It is imperative we examine its current role and responsibilities to ensure we are meeting the needs of our districts. The League must continue to be our primary voice in Sacramento, in regards to budget and advocacy efforts.

What do you feel you can contribute in these areas? (50 words or less; any portion of the statement beyond this limit will not be included.)

Last year we faced many leadership challenges. However, being on the executive board provided me with the opportunity to work closely with the CEOs to ensure the League continued without missing a beat. I will use my trustee experience to ensure we continue to become a stronger and responsive organization.
