

Placement Testing

What is a Placement Test? It is a test administered by the assessment office (A & E) when you register to place you in the correct ESL Level course. Call the Downtown Campus at 415.267.6543, or go in person to get an appointment for a placement test. Placement tests are offered at various times throughout the semester. You will be here at least 3 hours for testing. Don't be late! We will not accept students once the test begins.

Classes Available to Students in Levels 1-9
