

## **Fall 2011 English Eligibility Results**

IMPORTANT NOTE: Your name appears on this list only if you have skipped from your current level past the next level, or if you took the exam as a placement challenge. If you took the test and your name does not appear, it means you have not successfully skipped a level. ALSO: you **must** pass the class you are presently taking in order to skip ahead. All ESL student results are posted so that you can see what level the instructors judged your equivalency to be in the English sequence.
