Phelan Campus-Horticulture Center- Floristry EH/F-1

Principles, demonstration, and practice of advanced floral decorating, including weddings, window and store display. CSU

When students complete this course they are prepared to:

- \* Design 10 styles of popular wedding bouquets.
- \* Process and display cut flowers specific to weddings.
- \* Prepare mechanics for advanced design use.
- \* Construct and design advanced arrangements.
- \* Conduct a wedding consultation.
- \* Develop a client proposal.
- \* Plan and execute a wedding or special event.
- \* Design advanced corsages, boutonnieres and body flowers for weddings.

This is a partial listing of course content.
