Please note that the title of this form has been changed from an application to a sign-up form. The reason for the title change is that all students who qualify for the program automatically get in once they submit this form. The word 'application' did not fit the situation since the program never rejects qualified candidates. This means that assuming you qualify you do not have to wait to hear from us before starting Honors work. This should save time and get students started on their projects sooner.
