

# 50<sup>th</sup> ANNIVERSARY

Al Korbus  
1961 All-American

CCSF vs Hartnell College

## 1961 National Champions

City College of San Francisco's Athletic Department would proudly like to honor the 50th anniversary of the men's soccer 1961 championship team who finished the season undefeated coached by Roy Diederichsen.

As a member of the Northern California Intercollegiate Soccer Conference, the team faced 4-year universities including UC Berkeley, Stanford, UC Davis, San Francisco State, San Jose State and city rival University of San Francisco.

Paired with returning sophomores Gary DeLong, Flavio Valiente, Vincent Liu and the conference's leading scorer Al Korbus, a quintet of freshmen that included Horace Jackson, Sherwood Zammit, Lee Wurtenberg, Dave Fromer and Cesar Piña.

Despite losing to Cal in a preseason tournament, the Rams won every game after that including pay

back against the Bears on Oct 21, 1961 when they won, 5-2.

Having to play 4-year universities, Cal head coach Bob D. Grazia who coached in 1961, said that City College was "undoubtedly the best two-year college team in the country."

The Rams not only went on to defeat USF for the conference championship but played the University of British Columbia and tied the Canadian school when Al Korbus scored with 0:53 left in the game.

City College is proud to not only recognize the team as a whole but four individual players who made the 1961 All-American team that included Cesar Piña, Al Korbus, Gary DeLong and Dave Fromer.

## 2011 Team

For the previous five seasons, the City College men's soccer team has had a winning record a 73-17-23 and 2011 is no different as they are 12-3-1 and atop the Coast Conference once again.

Led by leading scorer Bryant Isaguirre with seven goals, the Rams have a balanced attack with seven players scoring more than one goal on the season.

Head coach Adam Lucarelli looks to take his team back to the post season where they try to seek a state championship for the first time since the 1961 season.

The team also has a brand new field that was built this year for both men's and women's teams. It not only gives the teams an actual home field advantage but also a recruiting tool for future City College student athletes.
