

## **The GED intake procedure for 17 year olds**

1. The student needs to provide written proof that he/she has been out of high school for at least 60 school days. That could be a Letter of Verification from SFUSD or an official high school transcript with a withdraw date.
2. If the student plans to attend CCSF upon completion of the GED, the student needs to submit an application to CCSF/Conlan Hall and obtain a Status Verification Letter (Letter of Intent).
3. With the fore-mentioned documents in hand, the student must provide the proper photo identification and pay the \$75.00 registration fee.
