

Fall 2009 Information Competency/Research Skills Workshops

All workshops take place in Rosenberg Library, room 414. All except the Research Paper Process (Workshop D) workshop are 50-minutes. Online versions of the A, B, C and W workshops are available at:

<http://www.ccsf.edu/Library/online.html> Workshop D is 90-minutes long. The **prerequisites** are:

1. that you have a research topic for a course
2. AND that you have completed workshop B
3. AND have completed C or W workshop.

Workshops can be taken in any order; suggested levels are:

LEVEL 1 workshops

LEVEL 2 workshops

<p><u>"Orientation to Library Resources & Services" Workshop G</u> – become a successful student as you increase your awareness of the library's onsite and online services and resources; how to search for a textbook in the library; and all the learning/advising support services on campus.</p>	<p><u>"Using Databases and Indexes to Find Periodical Articles" Workshop B</u> – focuses on the benefits of magazine/journal articles and how to search, interpret screen displays, and obtain full-text articles; introduces standardized citation format (MLA) for periodical articles.</p>
<p><u>"Finding Books and Other Materials Online" Workshop A</u> – teaches use of CityCat, the library's catalog to find a variety of materials, including e-books and DVDs; introduces standardized citation format (MLA) for books.</p>	<p><u>"Web Research and Evaluation" Workshop W</u> - emphasizes evaluating information found on the Web; restating a topic into search words, practicing effective search techniques to focus results; introduces standardized citation format (MLA) for web page.</p>
<p><u>"Web Search Techniques" Workshop C</u> - covers Web/Internet concepts; practice using web search tools and Web search techniques; introduces standardized citation format (MLA) for web page.</p>	<p><u>"Research Paper Process" Workshop D</u> – using your real research topic, you will search for 3 different types of sources; understand when to cite sources; and prepare two MLA or APA citations for the "Works Cited" page.</p>
	<p><u>"Citing Sources to Responsibly Use Information" Workshop P</u> – learn how to avoid plagiarizing by preparing in-text and full citations for your "Works Cited/References" page.</p>
