## **Important change in Nursing Department requirements for admission starting application date January 20 – February 20, 2012**

The City College of San Francisco Nursing Department will institute the following new requirement for all applicants starting the application period for January 20 - February 20, 2012:

**All qualified applicants selected by lottery for enrollment for FALL 2012 and SPRING 2013 will be required to take the ATI “Test for Essential Academic Skills, “ Version V (TEAS V). The applicant must submit their FIRST ATTEMPT score. The applicant must receive an overall composite score of 62% passing on TEAS version V first attempt in order to be eligible to enroll in the program. TEAS version IV or lower *WILL NOT* be accepted.**

Those applicants who do not receive an overall composite score of 62% on the TEAS version V must successfully complete a remediation plan and remediation coursework in order to be eligible for enrollment. If an applicant with an overall composite score of less than 62% on TEAS version V does not successfully complete the remediation plan and coursework, they are disqualified. They will not be able to enroll in the Nursing Program and must reapply at a later date.

If an applicant selected by lottery has taken the ATI TEAS Version V at a prior college, they may request their scores be sent to City College of San Francisco Nursing Department from ATI online (atitesting.com). The same passing score criteria will apply.

If an applicant selected by lottery has taken the TEAS produced by the National League for Nurses or HESI, they may submit their results to the Nursing Department for evaluation for equivalency to the ATI TEAS passing score.

If you have any questions, please call 415-239-3218 or email [achien@ccsf.edu](mailto:achien@ccsf.edu).
