DSPS Test Taking Rules

- ❑ It is your responsibility, not the instructor's, to make sure completed TAR forms are submitted by the appropriate deadlines.
- ❑ Advanced scheduling is required for **all** exams and quizzes.
Regular exams and quizzes – **One Week**
Final exams: **Follow deadline date printed on the other side of this form.**
- ❑ You are responsible to contact DSPS and your instructor if you are unable to take your exam on the scheduled day and time for any reason. *It is then up to you to see if the instructor will allow a make up exam.* If your instructor approves, a new **Testing Accommodation Request Form** must be submitted. You may then reschedule a new testing time with us. Please be aware that we must base the scheduling on room availability at the DSPS office.
- ❑ Arrive on or before the scheduled test time. If you are late, that time will be counted as part of your test time--just as it would for a student late for class on a test day.
- ❑ Cheating is forbidden and **the incident will be noted in your DSPS file**. The test and any cheating materials will be confiscated and given to your instructor. You will **not** be allowed to complete the test. **Your instructor may choose to report the incident to the Office of Student Advocacy Rights & Responsibilities as a violation of the Rules of Student Conduct as published in the new college catalog.**
- ❑ Only test materials authorized by the instructor in writing prior to the test will be allowed (class notes, dictionaries, textbooks for open book exams, etc.). Turn off your cell phone and leave it in your locker.
- ❑ Please take only one sheet of scratch paper into the testing room with you. Please use only the scratch paper provided by the DSPS testing proctor. If more than one piece is require, you may discuss this with the proctor.
- ❑ Accommodation tools such as tape recorders, spell checkers, etc. will be allowed only when specifically approved in writing by your DSPS counselor.
- ❑ Please use the restroom **prior** to your arrival at the test taking site. If you must use the restroom during your exam, your instructor will be notified. Time spent going to the restroom will be counted as part of your testing time
- ❑ If you have a long test and you wish to have a break, you must pre-schedule this with the testing desk so they can divide your test into parts. Pre-scheduled breaks will not be counted as part of your testing time and instructors will not be notified that you took a break.
- ❑ Eating, drinking (other than water in a covered container), smoking or phone calls will not be allowed during the test. However, special arrangements may be made for sessions over three hours long.
- ❑ The Student Code of Conduct found in the CCSF catalog will be enforced.
- ❑ No children will be allowed in the testing area.
