

## Forensic Identification Certificate

---

This certificate program is designed to meet the needs of students who want to obtain entry-level positions and/or promotional position in law enforcement agencies within the public sector and employment within the private security sector. It also provides the student who is currently employed in law enforcement an opportunity to increase their knowledge in the field of forensic identification and enhance their skills and abilities as an investigator.

A student may obtain the Certificate of Accomplishment by completing each of the courses offered in the certificate program with a grade of C or higher while at City College. Pass/No Pass grades will not be accepted toward completion of a certificate program. All five core courses are required and at least 9 units must be completed at City College of San Francisco for this certificate. Courses taken to fulfill the requirement for the Certificate of Accomplishment in Forensic Identification cannot be applied toward coursework requirements for a Certificate of in Administration of Justice.
