SUBJECT: Chancellor's Search * Open Forum * Friday, Dec. 14, 2007

DATE: December 11, 2007

The Board of Trustees of City College of San Francisco has begun the search process for a new Chancellor to succeed Dr. Day. As we embark on a national effort to identify and recruit a field of the highest quality candidates from which to choose our next Chancellor, we are seeking the assistance of the entire College community. We are committed to providing our students, faculty, staff, administrators, alumni, and community members with an opportunity to provide their input into the process.

As you may know, we have engaged the services of our national trustee association, the Association of Community College Trustees (ACCT), to assist us in this effort. Our consultant, Dr. Narcisa Polonio, will visit the District on Friday, December 14, 2007 to meet with and seek input from the College community on the Chancellor's position description/profile.

Please join us at the first of several open forums on Friday, December 14, 2007 from 1 to 3 p.m. at the Ocean Campus, Rosenberg Library, Room 305.

On behalf of the members of the Board, I want to express our hope that all of you, as interested and committed members of the City College of San Francisco community, will assist us in this vitally important task of selecting your next Chancellor. We look forward to seeing you there.

The next forum will be held upon return from the holiday break. More details to follow.
