Subject: City College of San Francisco - Chancellor Search Committee Update

The search process for the next permanent Chancellor of San Francisco City College District is continuing to move ahead to identify and recruit a national slate of the highest quality prospective candidates.

Based on public forums held throughout the District in mid-January, a position prospectus was developed and adopted by the Chancellor Search Committee and CCSF Board of Trustees. The prospectus was posted on the CCSF website in April and was promoted at the April 2008 American Association of Community Colleges annual conference held in Philadelphia, PA.

Advertisements announcing the opening and criteria sought in candidates have been placed in *Chronicle of Higher Education*, *Community College Times*, *Diverse Issues in Higher Education* and posted on Asian-jobs.com, Insidehighered.com and LatinosinHigherEd.com and on other regional and national websites, including: UC Berkeley's CalJobs, ACCCA.org, CCCRegistry.org, CSU East Bay JOBS4U, Higheredjobs.com, and SpartaJOBS. Additionally, the Association of Community College Trustees is contacting a number of individual prospects. The target date for the submission of applications is **September 10, 2008**.

Please send nominations and inquires to Dr. Narcisa Polonio at [npolonio@acct.org](mailto:npolonio@acct.org) or 202-276-1983.

On behalf of the Search Committee, we are wishing you an excellent summer.
