Guests: David Pieper

Adopting the Agenda and Approval of the Minutes
MSP = Moved, Seconded and Passed

Meeting was called to order at 1:45 p.m.
MSP: The agenda for this meeting was adopted.
MSP: The APC minutes from Feb 2012 were approved with corrections.

Announcements
After a general update and discussion about accreditation issues, the committee welcomed Alexandra Nickliss as a new official member of A.P. Also, an additional faculty position has been added to the Grading Policies subcommittee which will be filled soon by the Academic Senate.

A.P. recommendation for credit for Advanced Placement, International Baccalaureate, and CLEP, along with the appeals process for courses taken out of sequence, were received by the Academic Senate to be added to their agenda.

Unfinished Business
The Curriculum Committee will discuss language on 3/21 to recommend changes in their handbook regarding attendance.

Grading policy is still discussing plus-minus grading and is also looking again into the WF grade option.

Some “Hopper” Issues
CCSF has been noted as currently having the largest statewide number of students earning the official Associate Degree for Transfer (SB1440 degrees). 26 psychology students and one in communications (the two majors approved so far) have completed the requirements.

Cynthia Dewar is working on defining the Last Day of Attendance in online classes for Title IV of the HEA, and will report soon.
