Parking and Transportation Minutes
April 16, 2009
2:30 – 4:00 – SU208

Present: Shawn Yee, D. Ramirez-Chase, Skip Fotch, Jim Keenan, Susan Baker
Absent: Rod Santos, Carlita Martinez, Muriel Parenteau, Leilani Battiste

Acceptance of the minutes from 2/12/09. All in favor.

Old Business
CCSFPD Hiring: Debbie reported that we have hired three new officers. They are in the FTO program now and are working with the other officers. Rod Santos will remain as the Acting Chief of Police until a permanent replacement is hired.

Hang Tag/Decal Project: Mark Albright showed two designs to the committee, one being the full color design, the other the one color college seal. The committee voted and approved that the additional cost for the four color design be paid for by the Works of Art Committee.

Parking Machine Update: The committee will be meeting on the 24th to review the final bids from the vendors. At such time a decision will be made to the configuration of the parking areas in the reservoir.

New Business
Cloud/Science Traffic Control: New speed bumps have been installed along Cloud/Science Circle. The height of the speed bumps have been brought into question. Jim Blomquist’s office will look into the issue.

PE Van Parking: Jim Keenan will restripe the area along the Wellness Center for the faculty/staff to park their vehicles once the ok from Facilities is received. They are still checking on fire lane clearances.

Next meeting: May 7th in R-518 at 2:30 p.m.
