Parking and Transportation Minutes  
5/8/07 Rosenberg 518

Present: Muriel Parenteau, Craig Persiko, Susan Baker, Dana Galloway, Lani Battiste, James Keenan

Approval of the minutes: April 10, 2007.

Old Business

- Crossing Guards update – Carl Koehler not present to respond, will follow up with Peter Goldstein
- Crossing light @ bookstore: No update from Supervisor Elsbernd’s Office.
- Impacted parking at Gough Street: Student workers were warned not to park in Gough Lot. There was a discussion about checking to see if any faculty/staff from Downtown also used the Gough lot. Muriel P. would check with CCSFPD about enforcement at Gough St.
- Lani Battiste gave the P &T report at the last FRC meeting.
- Rosenberg cut out for Paratransit pick up/drop off is complete. Craig P. stated the need for bicycle racks adjacent to the 4th floor entrance of the library. If concrete could be poured for the cut out, then concrete can be poured to put in bicycle racks. Will address again in September.
- Crosswalks in Cloud circle – CCSF posted warning signs as required. Students are not adhering to the signs to use crosswalk and are walking in the street along the construction gate.
- Lani B will be representing the district at a MTA hearing 5/11/07 to move the White Zone at 1250 Waller Street – DeAvila Campus.

New Business

- Clarity on policy of Yellow Zones on the Ocean Campus. Discussion about adding “Vendor Permit Only” to the curb and painting the curb a unique color. (not yellow). State clearly in the parking regulations about Vendor Parking so as not to be confused with Commercial Parking.
- There needs to be a redesign of the CCSF Parking regulations for the Schedule book and the one distributed with parking permits.
- Misuse of red 1 day parking permits. Discussion about changing the color of the 1 day permits to discourage continuous copying.
- Continued discussion about changes in parking permits (stickers or hanging decals). Changing to hanging permits may cut down on misuse. Muriel P. will raise the issue at a Facilities Review Meeting.
- Committee requested more information about parking issues raised by continued construction. What are the plans for parking? Muriel P. will ask at the next Facilities Review Meeting.
- Faculty member with parking citation problem went to Carl Koehler and it was resolved. Student officer had made an error.
• Muriel P. reported that a student with a Blue Placard got a $275.00 citation on campus for parking in the hatch marks adjacent to a Blue Zone. The student contacted DSPS for assistance. The student admitted to parking in violation. Muriel P. directed the student to the DPT Hearing Division.

• Jim Keenan inquired about the status of the South Science lot. Drawings have been completed to restripe the entire area for Blue Zones, CCSFPD police vehicles only and motorcycles. The work is to be done over the summer.

Adjourn for the Summer!
