Resource: Winifred Kwofie, Lani Battiste, Carlita Martinez, Howard Cameron
Absent: Carl Koehler, Jim Keenan, Skip Fotch
Guest: Julia Waters (Associated Students)

1. Introduction of new Transportation Demand Management Coordinator, Carlita Martinez, new ADA Compliance Director, Lani Battiste and new ADA Project Manager, Howard Cameron
2. Acceptance of Sept 12 and October 10 2006 Minutes

Old Business

1. Chief Koehler is waiting for the response from Metropolitan Transportation Agency (MTA): “Passenger Loading Zone” on Phelan Avenue and “Keep Clear” street marking on the entrance area from Phelan Avenue to Cloud Circle.
2. Chief Koehler is locating a vendor to provide the District with speed radar equipment to inform motorist of their current speed and speed limits on Cloud Circle and other parts of campus.
3. Chief Koehler is working with the Purchasing Department in order to buy Flashing equipment to be placed on Stop Sign on Cloud Circle in front of library.
4. City Car Share will place two pods on Ocean Campus Reservoir Street Level nearest the Bookstore Annex and one pod at Gough Street at the lower lot.
5. Chief Koehler is working on the hiring process for 4 Crossing Guards.
6. There was discussion about the need for a signal stop light at the Bookstore crosswalk. ADA Compliance Director suggested contacting Supervisor Elsbern about the need for a “Stop Light.”

New Business

1. New bike rack at New Students’ Health Center and additional bike racks at Arts Courtyard. Additional racks to be installed before Thanksgiving.
2. Free standing bike racks will be relocated from 600 Bungalows to the 700 Bungalows when permanent 600 Bungalows bike racks are installed.
3. ADA Compliance Director and MP will meet with District Police Department to discuss Blue Zone enforcement around the District.
4. MP will explore with the Dean of the Mission Campus and the Facilities Planning staff on re-striping of the garage parking lot at the Alabama and 17th St. Site
5. Carlita Martinez will explore new locations for electronic waste drop off and pick for the Science Building and new location for Recycling Bin Blocking Blue Zone in 600 Bungalows
6. MP will explore with Facilities Planning with configuration on the parking behind library.
7. MP will discuss with the CCSF PD and Associated Students Union (ASU) current parking policy along the east side of ASU building and Ram Plaza.
8. ADA Compliance Director will work with Facilities Planning to create an smooth path of travel between EOPS and the foot bridge to the Bart station.
9. MP and LB will be present at the DeAvila neighborhood meeting on November 30th, 2006 at 7:00PM
