## MOBILE TECHNOLOGY CART

### MOBILE TECHNOLOGY CART

**TC12** provides room for a projector and presentation materials on the top shelf and two pull out shelves for a laptop and document camera.

**TC12FC** has the same features but includes a mounting pole for up to 42" monitors with a 200mm VESA mounting hole pattern.

TC12-BK

TC12FC-BK

### FEATURES

- Ideal for presentations and instructional use, large cart provides room for a data projector, notebook computer, document camera, DVD player, and scanner with an option to mount up to a 42" flat panel monitor.
- TC12FC includes an aluminum pole and mounting bracket for up to a 42" flat panel monitor, 90 lbs maximum. Flat panel monitor must include a 200 x 200mm or 200 x 100mm VESA mounting hole pattern.
- Pull-out shelves are located on both the left and right and are 14"w x 20-3/4"d x 37"h for standing use.
- Spacious cord management bin organizes all power and data wires and may be equipped with a 4-outlet electrical unit. Electrical unit is standard on TC12FF and TC12FCFF models.
- Top shelf is 42"H and reinforced to accommodate an aluminum 28" flat panel mounting pole. Flat panel mounting pole is standard with the TC12FC and TC12FCFF models.
- Heavy-duty 1" square tubular legs with "W" bracket shelf design for maximum strength.
- All-steel construction with die pressed shelves.
- Features an average 30% post-consumer recycled steel and an environmentally friendly powder paint finish.
- 4" Quiet-Glide stem casters, two are locking. Each caster is load rated to 115 lbs.
- TC12FF and TC12FCFF include a UL & C-UL listed, surge protected, 4-outlet electrical assembly with on/off switch and 20' grounded power cord. Electrical unit mounts inside the cord management bin.
- Available in an environmentally friendly Black (-BK) powder paint finish.
