ANNOUNCEMENT

City College of San Francisco announces a Request for Qualifications (RFQ) for qualified persons to provide coordination and oversight for all construction projects related to bond funded capital projects, in addition to day to day project management in San Francisco, CA. Construction is underway now. This is a temporary job, starting immediately. The projects may involve LEED™ Certification. The RFQ package is now available and may be obtained at www.ccsf.edu/build.

The deadline for response to the RFQ is: **Friday, Sept. 4, 2009, 3:00 PM**

It is the policy of the San Francisco Community College District (the District) to ensure full and equal business opportunity for all Small Local Business Enterprises (SLBEs) wishing to do business with the District.
