November 25, 2006

Open Letter to the Chinatown/North Beach Community:

City College of San Francisco has worked with the Chinatown community to realize the dream of a permanent home for the Chinatown/North Beach Campus. We again ask for your help to define the scope of the draft Environmental Impact Report (EIR) for the new campus.

If you were not able to attend the community meeting the College hosted on November 27, 2006, we would like to offer you a second opportunity to provide feedback at a community meeting on Wednesday, December 6, 2006. This meeting will be held at the Gordon J. Lau Elementary School (950 Clay Street) and is scheduled to begin at 6 p.m. We remain very interested in gathering additional community input on the scope of the EIR plan for this much needed community asset. Most importantly, we want to hear your ideas regarding our preliminary plans for this new campus.

We wish to engage the entire community in a dialogue on the proposed building plans for a new campus on the corner of Kearny and Washington Streets. **The deadline to receive information from you relating to the EIR scope for the Chinatown/North Beach Campus will be December 15<sup>th</sup>.** Moreover, you will have 60 days to review the published DRAFT EIR document and comment on its contents.

To reiterate, we want to hear your ideas on the scope of the EIR plan to build this essential higher education facility right in your Chinatown neighborhood. We look forward to your active participation in these early stages of planning for this CCSF campus. We promise you that we will do everything in our power to be responsive to the needs of our community. We thank you in advance for your valuable assistance as we embark on this important and much delayed building project that will guarantee services which will benefit you and your family for generations to come. Let's build a Chinatown/North Beach Campus of which we can all be proud!

Sincerely,

Dr. Philip R. Day, Jr.  
Chancellor

Joanne Low  
Dean, Chinatown Campus
