## John Adams Campus Open House

The September 17 Open House at City College's John Adams Campus highlighted the new cardiovascular technician laboratory, phlebotomy lab and the pharmacy technician laboratory, all created out of the remodeling of the lower level of the gymnasium. "Since the event was on a Saturday, it gave students in the ESL program who were health care workers (physicians, dentists, nurses) in other countries an opportunity to see additional possibilities in the medical field that are taught at CCSF," said Linda Squires Grohe, Dean. Students in the DSPS program displayed their works of art in the DSPS Office. Also, the John Adams Campus Library was open to show what is available to students and the community. Light refreshments were served in the cafeteria. Both the Chinatown/North Beach and Downtown Campuses will have Open House events soon. The Chinatown/North Beach (940 Filbert Street) event is planned for September 27 and the Downtown Campus (88 Fourth Street) event will be on October 20.

## LETTER TO THE EDITOR

# Tannis Reinhertz seeks donations for 'Swim-A-Mile' to fight cancer

Dear friends,

Many of you know (and some don't) that I'm an eight-year breast cancer survivor. During and after my treatment, The Women's Cancer Resource Center (WCRC) became an important part of my treatment and healing.

This is my second year participating in WCRC's Swim-A-Mile fundraiser and I'd like to ask you to sponsor me as I swim a mile to fight cancer. Since 1995, more than 3,000 swimmers have participated in Swim-A-Mile and helped raise \$1.12 million to help local women with cancer and their families. By sponsoring me you are helping the 40,000 women with cancer and their families who have been served by the WCRC over the past two decades. All WCRC services are provided for free and 75% of all WCRC resources are dedicated to program support for women dealing with cancer.

You can sponsor me by pledging online

at: <http://www.wcrc.org/swim/pledge> my nickname is: [tstoke95](http://www.wcrc.org/swim/pledge) or by sending a check payable to WCRC to **Tannis Reinhertz**, 1822 107th Ave., Oakland, CA 94603. All donations are tax deductible: Tax ID #: 94-3131204.

Thanks in advance for your thoughtful consideration and support. You Rock!

**Tannis Reinhertz**

## CCSF Image Consulting students participate in Hollywood movie promotion with Goodwill

This past May, thanks to an ongoing partnership with Goodwill Industries, CCSF Image Consulting students were invited to a special screening of the Warner Brothers movie, *Sisterhood of the Traveling Pants*. The movie centers around four teenage girls and their adventures in a magical pair of blue jeans, bought at a thrift store. **Minerva Perkins**, Director of Sales for Goodwill Industries, decided to tie into the movie by creating a promotion that would encourage customers to donate blue jeans to their local Goodwill store. Everyone who donated a pair of jeans would receive a *Sisterhood* bracelet and subsequent sales from these blue jeans would help fund Goodwill's important job training and job placement programs.

Image Consulting Instructor **Kelly Armstrong** asked the students to create a window display using blue jeans from Goodwill stores along with whatever materials and media that inspired them. Working in teams of two, they had one week to create their displays for the flagship store on Market and Van Ness Avenue. The student teams consisted of **Erika Ipanaque** and her friend **Ana Cao**, **Sibel Gifigi** and sister **Ulku Nisanogul**, **Viridiana Espinoza** and **LeVera Wilson**, and **La Toya McInnis** and cousin **Tossie Long**. When Goodwill's Perkins was asked what it was like working with the Image Consultant students, this is what she had to say: "I was delighted to work with such energetic and well trained individuals. The students had an 'I can do' mannerism that permeated the entire environment." As compensation for their work, the students had a prominent sign inside and outside of the Goodwill store, received a \$50 gift certificate, tickets to the moving screening and their names mentioned in a press release that was being handled by a public relations firm promoting the movie.

Goodwill was founded in 1902 in Boston by Rev. **Edgar J. Helms**, a Methodist minister. Helms collected used household goods and clothing in wealthier areas of the city, then trained and hired people to repair and sell the used goods. The system worked, and the Goodwill philosophy of "a hand up, not a hand out" was born. Today, Goodwill

Industries is a \$2.4 billion international network of 207 independent, community-based nonprofit organizations serving more than 700,000 people in the U.S., Canada and 22 other countries.

Fashion 45 Image Consulting meets every fall, once a week and prepares students to become image consultants, either working independently or for a retailer. It incorporates the techniques of color, wardrobe selection, figure analysis and steps to setting up a business. For more information contact the Fashion Merchandising Department.

Here is how the window display created by the CCSF Image Consulting students looked.
