SUBJECT: GRANTS

**Approval to submit an application and accept
funds received - California Council for the
Humanities
(Resolution No. 000622-B16)**

BACKGROUND INFORMATION:

Authorization to submit an application and appropriate all funds related to a grant from the California Council for the Humanities, for the Pan American Unity Lecture Series. This program would allow City College of San Francisco to host a lecture series, including a symposium of scholars, and a tour of murals. The combined program will help us open a dialogue about multiculturalism, specifically Pan-Americanism, by bringing focus to Diego Rivera's art and life. The funds will be used to support coordination of events and speakers. The CCSF departments of Latin American Studies, Art, and the Library will be involved with the project. The total of the grant is \$10,000 for the period of July 1, 2000 to June 30, 2001.

There is a \$7,589 in-kind match required. No additional space required. City College of San Francisco is the fiscal agent. The Mexican Museum of San Francisco and the San Francisco Art Institute are our partners in the project.
