Strategic Priority # 2 - To continue to emphasize the strengthening and improvement of academic programs and courses, instruction, alternative systems of delivery, and success in achieving student learning outcomes.

GAPS IDENTIFIED AT 4/16 RETREAT – STRATEGIC PRIORITY 2

I. TECHNOLOGY
   A. [none specified yet]

II. INFORMATION AND COMMUNICATION
   A. Lack of communication between the academic branch and the student development branch of the college (e.g., orientation information, matriculation, testing).
   B. Improved communication necessary between students, faculty, classified and administration.
   C. Essential advising guide for faculty.

III. RESOURCES AND STAFFING
   A. Lack of space for students in the Math and English courses necessary for graduation.
   B. Use of a more “student” approach to scheduling to maximize resources.

IV. EXCELLENCE IN TEACHING AND LEARNING, AND PROFESSIONAL DEVELOPMENT
   A. Staff development in multi-cultural teaching and curriculum infusion should be budgetary priority.
   B. More development of new learning concepts and integration into curriculum across disciplines and campuses.
   C. Lack of collaboration between credit and non credit programs.
   D. Basic skills primarily for Ocean campus.
   E. More conversation and development of SLO plans for courses, programs and divisions.

V. ACCESS, INCLUSIVENESS, AND "DIVERSITY"
   A. Priority registration issues for different students (athletes, international, recent high school graduates).
   B. We can evaluate demand for courses more thoroughly.
   C. Reaching out to high school students.

VI. CAMPUSES AND COMMUNITIES
   A. Move toward more full service at each campus.

DRAFT – DO NOT CIRCULATE
Strategic Priority #2 - To continue to emphasize the strengthening and improvement of academic programs and courses, instruction, alternative systems of delivery, and success in achieving student learning outcomes.
