1. Minutes. We approved the April 12, 2011 minutes.

2. Review of Preliminary Draft 2 Standard III
   Review was postponed until the next meeting.

3. a. Review of Preliminary Draft 2 Standard IIB
   The entire draft was reviewed with many specific comments provided. The Steering Committee agreed to change references to Student Development Division to Student Support Services (WASC term) or Student Support Services Units. There were comments about moving college awards to the very beginning of the evaluation. The group decided to place the mentioning of college wide awards in the overview of this standard and in the front matter of the self-study. There was some discussion about format for references and how to cite them in the self-study.

   b. Review of Preliminary Draft 2 Standard IIC
   The draft was reviewed entirely. There was some discussion whether library facilities at various sites should be included in this section as well as age of computer hardware in the libraries.

4. Reports on related projects
   None were given

5. Next Meeting
   The Steering Committee hopes to review Standard 2A, 3D, and 4A-C.
