Our Vision

City College of San Francisco values and fosters superior levels of educational participation and academic success among all students. Reaching out to and including all populations, we strive to provide an affordable and unparalleled learning experience in a supportive and caring environment that leads students to successfully complete their goals.

A Teaching and Learning Community

Our principal distinction will be the high quality of instruction. The educational experience will feature successful learning in areas as varied as basic skills, academic courses, advanced honors, career and technical courses, retooling of job skills, and preparation for transfer to other educational institutions. Learning opportunities will extend to a broad array of courses and programs to offer any student a pathway to educational and career success.

An Inclusive Community

We will continue to reach out to all people, especially to those communities that encounter barriers to education; develop sustainable campuses and sites to better serve students and neighborhoods; diversify and improve programs and services for the benefit of the community; build partnerships with public, private, and community-based agencies to better respond to educational, economic, environmental, and societal needs; foster the participation of our students and employees in community life; and welcome students from around the world. Committed to lifelong educational opportunities for all, we will exchange expertise and innovation with colleagues in the state, the nation and the world.

A Diverse Community

In our community, respect and trust are common virtues, and all people are enriched by diversity and multicultural understanding. We will maintain a supportive, positive, and productive working environment for our diverse faculty and staff, as well as a responsive environment in which student needs are met in a friendly, timely, and caring manner.
