Note, rather than updating the Student Equity Plan per se, the College incorporated Student Equity concerns directly into the Draft Strategic Plan for 2011-2016. All subsequent college-wide plans, including the Education Master Plan, will be informed by the Strategic Plan and will clearly reflect the priority of Student Equity. In addition, the College is engaged in ongoing conversations about Student Equity and has developed several specific initiatives to address Student Equity. (8/2011)

Approved by CPBC 2/1/11 (revised per CPBC 4/6/10, 10/20/09, and 9/21/09).
