Grant/Project Title: Pan American Unity Lecture Series

Award Amount: $7,600

Funding Source: California Council for the Humanities

Award Date: 2000

Abstract:

This program would allow City College of San Francisco to host a lecture series, including a symposium of scholars, and a tour of murals. The combined program will help us open a dialogue about multiculturalism, specifically Pan-Americanism, by bringing focus to Diego Rivera's art and life. The funds will be used to support coordination of events and speakers. The CCSF departments of Latin American Studies, Art, and the Library will be involved with the project.
