Grant/Project Title: Health Careers Opportunity - Health Path Program

Award Amount: $13,624 (for 8 months)

Funding Source: Department of Health and Human Services

Award Date: October, 2001

Abstract:

In collaboration with San Francisco State University’s Health Path Program, City College of San Francisco provides a mentorship and academic program to support students who have chosen or may choose a health career profession. Additionally, the School of Health and Science provides CCSF students to mentor and recruit San Francisco Unified School District students to encourage their pursuit of health careers.
