Award Amount: $65,000

Funding Source: San Francisco Mayor’s Office of Community Development

Award Date:

Abstract:

The Small Business Development Center (SBDC) uses support from the San Francisco Mayor’s Office of Community Development for programs that improve the economic success of existing and emerging small businesses by conducting post-loan assistance. These services are directed at targeted revitalization neighborhoods including South of Market, Mission, Bayview/Hunters Point, Visitacion Valley, Chinatown and the Tenderloin. The SBDC also aims to expand the success of MOCD-funded organizations that provide technical assistance through this grant. The SBDC employs a series of workshops and hands-on technical assistance to reach increased measures of success.
