Grant/Project Title: Real Estate Education Center

Award Amount: $85,000

Funding Source: State Chancellor's Office

Award Date: March 29, 2002

Abstract:

The Real Estate Education Center, hosted by the CCSF School of Business, provides a statewide resource offering leadership in real estate education policies and services to California's 108 community colleges. Center activities include: developing criteria for real estate education and practice; coordinating the Real Estate Endowment Fund; publishing statewide instructor and student study guides; and developing a database of statewide real estate education programs.
