
**Funds Awarded**

**California Endowment**
CCSF has been awarded funding to support the Welcome Back Center. The Foundation for California Community Colleges will serve as the fiscal agent. Amount awarded: $700,000 (approximately). Contact: José Ramón Fernández Peña, 405-0488; Linda Squires-Grohe, 561-1908.

**The Carnegie Foundation for the Advancement of Teaching and The William and Flora Hewlett Foundation**
CCSF has received funds to increase student performance in basic skills through professional development, curriculum design, and faculty coordination. Amount awarded: $300,000. Contact: Robert Gabriner, 239-3014.

**Fulbright Scholar Program**
CCSF has received a Fulbright grant to bring a Muslim Scholar to the College in Fall 2005. Contact: Jill Heffron, 452-5216.

**Proposals Submitted**

**U.S. Department of Health and Human Services – Health Resources and Services Administration (HRSA)**
Funds requested in this proposal will be dedicated to coordinating Jewish Vocational Services with the Welcome Back Center and enhancing classroom learning in the area of critical thinking and leadership through the purchase of a human patient simulator and the implementation of its use in the curriculum. CCSF will be a sub-recipient of this award. Contact: Linda Squires Grohe, 561-1908.

**WIA Governor’s 15 Percent Discretionary Fund**
CCSF is submitting a proposal to develop a Stem Cell Research Certificate program. This program would partner with UCSF and private industry to train faculty members in stem cell research in order to augment existing cell culture courses with a stem cell course leading to a certificate. Contact: Wing Tsao, 239-3669; Philip Jardim, 239-3379.

**WIA Governor’s 15 Percent Discretionary Fund**
CCSF, in partnership with Skyline College and Cañada College, applied for funding to create a Gateway Health Careers program in which participants will receive extensive support services to help them complete short-term post-secondary training in targeted health careers leading to employment with Bay Area Hospitals and health care providers including San Francisco General Hospital, St. Francis, and Kaiser Permanente. The San Mateo Human Service Agency will be the fiscal agent. Contact: Linda Squires-Grohe, 561-1908.
Proposals in Progress

Hewlett-Packard Technology for Teaching Grants
Computer company Hewlett-Packard makes these grants to bolster the innovative and effective integration of mobile technology in K-16 education settings. Grants focus on helping educators to build and share effective approaches and educational efforts to apply mobile technology into learning environments with other professors on campus and beyond. Deadline: Applications accepted from January 10, 2005 through February 15, 2005. Contact: Wing Tsao, 239-3669; Tim Su, 452-5647.

Akonadi Foundation
We will submit a letter of intent to the Akonadi Foundation requesting funds to support the Multicultural Infusion Project (MIP). Application deadline: Letters of intent accepted on a rolling basis. Contact: Sue Homer, 239-3039.

Center for Disease Control and Prevention, National Academic Centers of Excellence on Youth Violence Prevention
This proposal seeks funds to develop a model youth violence prevention program in partnership with San Francisco State University (SFSU). SFSU will be the fiscal agent for this project. Contact: Veronica Hunnicutt, 550-4348.

U.S. Department of Labor, Unsolicited Proposals
CCSF will request funds to undertake research of best practices in hospitality training. Contact: Phyllis McGuire, 550-4449.

New Opportunities (listed in order of application deadlines)

State Department, Bureau of Educational and Cultural Affairs
The Cultural Programs Division of the Office of Citizen Exchanges, Bureau of Educational and Cultural Affairs announces an open competition for grants that support exchanges and build relationships between U.S. non-profit arts, educational and cultural organizations and their counterparts overseas. U.S. public and non-profit organizations meeting the provisions described in Internal Revenue code section 26 USC 501 (c)(3) may submit proposals that support the goals of the Arts Exchanges on International Issues Program: to promote mutual understanding and partnerships between key professionals in the arts and arts management and their organizations in the United States and in other countries through multi-phased exchange projects taking place over one to three years. Deadline: February 15, 2005.

For more information, see: http://exchanges.state.gov/education/rfgps/feb15rfgp.htm

National Endowment for the Arts, Access to Artistic Excellence
Access to Artistic Excellence encourages and supports artistic creativity, preserves our diverse cultural heritage, and makes the arts more widely available in communities throughout the country. While projects in this category may focus on just one of these areas, the Arts Endowment recognizes that many of the most effective projects encompass both artistic excellence and enhanced access. Support is available to organizations for projects that do one or more of the following:

- Provide opportunities for artists to create, refine, perform, and exhibit their work.
- Present artistic works of all cultures and periods.
- Preserve significant works of art and cultural traditions.
Enable arts organizations and artists to expand and diversify their audiences.
Provide opportunities for individuals to experience and participate in a wide range of art forms and activities.
Enhance the effectiveness of arts organizations and artists.
Employ the arts in strengthening communities.

Deadline: March 14, 2005 or August 15, 2005 (see website to determine appropriate deadline).

For more information, see: [http://www.nea.gov/grants/apply/GAP06/Visualarts-AtAE.html](http://www.nea.gov/grants/apply/GAP06/Visualarts-AtAE.html)

**NSF, Advanced Technological Education Program**
The Advanced Technological Education (ATE) program focuses on the education of technicians for the high-technology fields that drive our nation's economy. The program involves partnerships between academic institutions and employers to promote improvement in the education of science and engineering technicians. The ATE program supports curriculum development; professional development of college faculty and secondary school teachers; career pathways to two-year colleges from secondary schools and from two-year colleges to four-year institutions; and other activities. A secondary goal is articulation between two-year and four-year programs for K-12 prospective teachers that focus on technological education. Additionally, the program invites proposals focusing on applied research relating to technician education. Deadline: April 26, 2005 (optional preliminary proposal); October 18, 2005 (full proposal).

**How to Reach Us**
For further information on opportunities related to federal, state or local funding agencies, please contact Kristin Hershbell Charles, Associate Dean of Grants and Resource Development (239-3677, kcharles@ccsf.edu).

For questions regarding post-award grant administration, contact Marguerite Versher (239-3979, mversher@ccsf.edu).

Finally, should you know of alumni, retired members of the College family or anyone else with a commitment to CCSF who might wish to make a planned gift or other donation, please email Dr. Kathleen Sullivan Alioto at ksalioto@ccsf.edu.

If you know of anyone who would be interested in receiving our Institutional Advancement Bulletin, please send her/his name and email address to kcharles@ccsf.edu so that we can add her/him to our mailing list.

Please note that if you are interested in pursuing a grant, in conjunction with our office or on your own, you must notify the Office of Research, Planning & Grants to ensure there will be no overlap or conflict with existing grant activities.
