GRANTS BULLETIN MARCH 2003

If you know of anyone who would be interested in receiving our Grants Bulletin, please send her/his name and email address to: khershbe@ccsf.edu so that we can add her/him to our mailing list.

If you are interested in developing a proposal or have recently submitted an application, we’d like to know! Please contact us at 239-3677 or the above email address.

Grants Awarded

Koret Foundation
CCSF received funds from the Koret Foundation to support the expansion of instruction and wrap-around services for students with basic skills needs. Amount Received: $143,105. Contact: Kristin Hershbell, 239-3677.

Grants Proposals Submitted

Rosalynn Carter Institute/Johnson & Johnson – Intergenerational Caregivers Program
CCSF’s Office of Mentoring and Service-Learning’s application to the Intergeneration Caregivers Program focuses on the expansion of Project SHINE and the pilot of second-stage, service-learning experiences for students, in partnership with San Francisco State University. Amount Requested: $25,000. Contact: Camilla Bixler, 239-3405.

U.S. Department of Commerce/National Oceanic and Atmospheric Administration (NOAA) – Environmental Entrepreneurship Program
CCSF’s Center for Habitat Restoration requested funds from the Environmental Entrepreneurship Program to establish a demonstration project integrating habitat restoration with entrepreneurial skill development. Students in this year-long program will act as environmental consultants to agencies throughout the city, developing and implementing community-based habitat restoration projects. Amount Requested: $299,745. Contact: Ed Bedecarrax, 239-3605.

State Chancellor’s Office – Workforce Development Instructional Equipment Grants
Workforce Development Instructional Equipment grants provide equipment to assist in the improvement of workforce development programs. The following CCSF departments/programs submitted applications for the indicated category and amount: Ornamental Horticulture and Floristry (Agriculture and Natural Resources, $61,256), CNIT (Business Education, $99,353), Culinary Arts and Hospitality Studies (Family and Consumer Sciences, $82,809), Bio-Link (Industrial and Technical Education, $89,307), Health (Health Occupations, $57,951). Contact: Kelley Karandjeff, 239-3013, or Andrea Speraw, 550-4364.

State Chancellor’s Office – Fund for Instructional Improvement (FII)
CCSF submitted two applications to FII, both focused on professional development. The first focuses on infusing multicultural perspectives into the curriculum (amount requested: $34,994). The second application supports the development of strategies for successful student learning
outcomes across the curriculum (amount requested: $34,999). Contact: Kristin Hershbell, 239-3677.

U.S. Department of Education – College & Career Transitions Initiative (CCTI)
CCSF’s School of Health and Physical Education applied for CCTI funds to create a health pathway with John O’Connell High School through the Middle College program. The pathway aims to improve academic performance of students at both the secondary and post-secondary levels such that they can move effectively from high school to college and a career in the health field. Amount Requested: $123,089. Contact: Linda Squires-Grohe, 561-1908.

National Fish & Wildlife Foundation – Five-Star Restoration Challenge Grants
CCSF’s Center for Habitat Restoration submitted an application to the Five-Star Restoration Challenge Grants program to support student development of a riparian corridor at Heron’s Head Park. Amount Requested: $19,382. Contact: Ed Bedecarrax, 239-3605.

U.S. Department of Education – FIPSE Comprehensive Program
CCSF submitted three preliminary proposals to FIPSE for the following projects. Developing Career Pathways that Articulate and Transfer will improve the articulation and transfer process for students enrolled in two-year, career-oriented programs with the desire to pursue a four-year degree (amount requested: $399,060 for three years). Publishing the Nation’s First Performance-based Training System for Community Health Workers will publish a complete set of materials for replicating our successful Community Health Worker (CHW) vocational certificate on a national level, preparing health workers in preventative and chronic care (amount requested: $270,000 for three years). Designing Student Learning Outcomes College-wide will develop a model system for measuring the impact of not only academic programs but also of student and administrative services on student learning (amount requested: $399,600 for three years). Contact: Kristin Hershbell, 239-3677.

Grant Proposals in Progress

Corporation for National Community Service (CNCS) – Learn and Serve America
CCSF’s Office of Mentoring and Service-Learning will apply for CNCS Learn and Serve America Individual Institutions funds to further develop the College’s capacity to provide service-learning and to create second-stage opportunities for students, faculty, and staff focused on ESL programs. Application Deadline: April 1, 2003. Contact: Nina Gibson, 239-3771.

State Chancellor’s Office – Industry Driven Regional Education and Training Collaboratives (IDRC)

State Chancellor’s Office/AmeriCorps Program Local Emergency Readiness Teams Project (ALERT)
With ALERT funds, CCSF will prepare and support student volunteer AmeriCorps members who will provide community service, explore careers related to health and public safety, and have the opportunity to earn an award applied toward their continuing education. Application Deadline: April 14, 2003. Contact: Emily Glines, 239-3529.
New Grant Opportunities (ordered by application deadline)
Contact: Kristin Hershbell, 239-3677

National Science Foundation (NSF) – Science Talent Expansion

National Science Foundation (NSF) – Advanced Technological Education

National Endowment for the Humanities (NEH) – Preservation Assistance Grants
NEH’s Preservation Assistance Grants help small and mid-size institutions such as community colleges improve their ability to preserve and care for their humanities collections including books, journals, manuscript and archival materials, maps, moving images, sound recordings, decorative and fine arts, prints and photos, etc. Visit: www.neh.gov/grants/guidelines/pag.html. Application Deadline: May 15, 2003.
