If you know of anyone who would be interested in receiving our Grants Bulletin, please send her/his name and email address to: khershbe@ccsf.edu so that we can add her/him to our mailing list.

If you are interested in developing a proposal or have recently submitted an application, we’d like to know! Please contact us at 239-3677 or the above email address.

Grants Awarded

State Chancellor’s Office – AmeriCorps Program Local Emergency Readiness Teams Project (ALERT)
CCSF secured funds from AmeriCorps’ ALERT Project to develop a program focused on preparation of and support to student volunteer Corps members. Through this grant, members will contribute to local emergency readiness by providing community service, exploring careers related to health and public safety, and having the opportunity to earn an award applied toward their continuing education. Amount Awarded: $136,156. Contact: Emily Glines, 239-3529.

Grant Proposals Submitted

National Science Foundation (NSF) – Teacher Professional Continuum (TPC)
CCSF’s preliminary proposal to NSF included the development of certificates that articulate to San Francisco State University and guide students interested in teaching toward an elementary credential or single subject credential in math and/or the sciences. Amount Requested: $1,989,249 (over 48 months). Contact: Kathleen White, 239-3890.

State Chancellor’s Office – Economic and Workforce Development Program
CCSF submitted to the State Chancellor’s Office applications to renew funding for the College’s following five Regional Centers: Advanced Transportation Technology Center ($169,930), Center for Applied Competitive Technology ($169,930), Northern California Biotechnology Center ($169,930), Small Business Development Center ($140,550), and the Workplace Learning Resource Center ($169,930).
