COLLEGE ADVISORY COUNCIL

Minutes of the March 2, 2006 meeting

I. Reports from the Committee Chairs

A. College Diversity Committee (Dr. Day)
Throughout the years the College Diversity Committee worked on several projects such as, Multi-Cultural Infusion, Grow Your Own, Diversity Initiatives. With all these successful projects come the question, where can we find home for them. Dr. Day, the chair of the committee, stated that the Office of Equity and Diversity will be created to house these projects. Linda Hiroshe will be asked to shift her focus to this effort.

B. Communication Committee (Francine Podenski)
Francine Podenski, the chair of the Communication Committee stated that Joe Jah received a numbers of requests to make certain changes, add or delete information on the main page. Francine Podenski reaffirmed that this requests has to come to the Communication Committee, and with a 72 hours turn around time the requests can be resolved. The Communication Committee considering creating 3 subcommittees to overview the college’s website, publication and college TV and Radio Station. However, the last mentioned subcommittee will not interfere with the established digital radio curriculum and class activities.
The Link TV is still under review, however it is hoped that by June in will be start to operate on EATV-Ch27. All three subcommittees will have open membership. At the next Communication Committee meeting these subcommittees will be finalized.

At their next meeting, the Communication Committee will spend most of their meeting time to take a close look at the CCSF website. David Pilpel, the chair of the City’s Sunshine Ordinance Task Force was also invited to participate.

C. Information Technology Policies Committee (David Yee)
David Yee gave a brief presentation on the ongoing business the ITPC is working on. The Privacy Statement will be the most important topic on the ITPC’s schedule for the spring semester. Additional projects like the Banner 7 upgrade is moving forward as planned with March 27th, as the final decision date. The committee will also look in to issue of credit student ID cards. Finally, the wide distribution email is also on the ITPC’s March agenda.
