I. Reports from the Committee Chairs

A. College Diversity Committee (Dr. Day – Committee Chair)
   Dr. Day gave an update on the College Diversity Committee work. The committee is working on the Diversity Plan to bring more diversity to curriculum, hiring and infusion. The committee also looked into possibilities to further widen the scope of the plan. Glenn Nance gave an update on the “Grow Your Own” program. Finally, on September 13th there will be a workshop on “Dialogue for Student Success and Equity”.

B. Communication Committee (Athena Steff and Attila Gabor)
   Athena Steff told the council that the Communication Committee is in support of publishing the City Current in paper format and posting it online. Gabor continued the report by letting the council know that the Communication Committee reelected Francine Podenski as the committee chair. The committee is working on a guideline to address flyers posted on the campus that are not in English language. Finally, the Communication Plan is still missing an insert on how to improve the communication between the college community and the Board members.

C. ITPC (David Yee)
   Since the committee did not meet yet, there was no report given.

II. Update on Facilities Planning/2005 Bond Project (Dr. Philip R Day, Jr.)
   Dr. Day distributed the fact sheet on the local bond initiative and gave a short status report. Leslie Smith talked about Voter Registration/Voter Education project/timeline and the possibility of providing poll workers training. She will check if the college will be involved in early voting.

III. Shared Governance System Recommendations Report (Bob Gabriner)
   Bob Gabriner distributed the status report on Shared Governance System recommendations. Attila Gabor distributed the new CCSF Shared Governance organizational chart. After reviewing the chart, an additional revision was made. The Vice Chancellor of Academic Affairs was removed as one of the two units to whom the committees of the Collegial Governance System reports, leaving only the Academic Senate. Gabor also distributed a sample of the template of the Annual Shared Governance Report that was sent out to every shared governance committee chair.

IV. Other Business and Announcements
   • The enrollment date was extended until September 12.
   • The Mission Campus ground breaking will take place on September 6.
