

Transfer Issues Subcommittee
March 20, 2007 Meeting Minutes

In attendance: Deanna Abma, Grace Hom, Jack Sparks, Yolanda Chrystal, Donna Hayes
Absent: Tom Blair, Wing Tsao, Steve Spurling, Leslie Smith, Jorge Bell

1. CCSF GE/CSU GE/IGETC notation on CCSF transcript – Grace Hom:

The subcommittee supports the notation of these GE patterns on the CCSF transcript. Donna Hayes will contact Dean Leyba regarding this proposed addition.

2. Advanced Placement test update – Grace Hom:

Grace Hom brought the updated CCSF Credit for AP Test Scores list. Deanna Abma is working on updates with Ai Ling Wou.

The subcommittee discussed concerns about using AP scores for graduation from CCSF versus transfer to a 4-year institution. There are many differences, and these can affect a student's ability to transfer. The subcommittee also raised questions about how the AP scores are posted on the CCSF transcript. Donna Hayes will discuss this with Dean Leyba.

Deanna reported that she is waiting to receive the final approved list of IGETC and AP score usage. There are differences between how a test is accepted for IGETC and how CCSF accepts the same test. For example: completion of Biology AP test with a 3 or higher may fulfill the IGETC Biological Sciences, but CCSF doesn't accept the Biology AP scores at all.

3. Articulation Updates – Deanna Abma

- a. Transfer Pages:** The group discussed revisions to the Transfer pages for the Fall 2007 schedule.
- b. IGETC approval date:** Deanna reported that courses approved for IGETC during 2007 -2008 will have the effective date of Fall 2007, which in most cases, will match the approval date for UC eligibility.
- c. LDTP:** Deanna reported that statewide discussions are continuing, and implementation dates have been postponed.
- d. ENGL 1B:** Deanna reported that she will be submitting the revised course description for ENGL 1B to CSU for Area A3 approval.
