For Members of the Public:

To facilitate the conduct of business at Board meetings, the following information has been taken from the District's Policy Manual concerning the conduct of Board Meetings.

From PM 1.05 A:

The order of business may be revised at any meeting when, in the discretion of the President, such revision will benefit the public and/or order of the meeting.

FROM PM 1.05B:

A member of the public may place an item on the Board agenda for regular meetings if the item relates directly to District business and is a matter of public concern, and if a written request is received in the Chancellor's Office no later than noon three full calendars weeks in advance of a regular Board meeting, and to avoid repetitive additions to the agenda, if the subject matter has not previously been submitted for the agenda within the past three months. In the interest of effective management of meeting time, no person shall place more than two items on any single regular agenda without justifying to the satisfaction of the Chancellor, the necessity of including additional times on that agenda as opposed to later agenda. The Chancellor shall determine whether the specific matter is directly related to the business of the District. Items which have been properly submitted and verified as related to the business of the District will be addressed in the “Requests to Speak” portion of the agenda or otherwise at the conclusion of all other District business on the agenda. The member of the public who properly submits an agenda item will be allowed up to three (3) minutes at the meeting to present the information to the Board. Following this presentation, the Board may, but is not required to address the issue, may put the issue on a future agenda for more discussion and possible action, or may refer the issue to the administration.

From PM 1.05 L:

L. Granting the Privilege of the Floor. A person desiring to speak shall be recognized by the Chair only after complying with the following procedures:

For matters appearing on the agenda, an individual desiring to address the Board must complete a "Request to Address Board" card, completing the information thereon including the subject to be addressed. If there is to be a written report presented, a copy(ies) shall be submitted in advance to the Chancellor.

Any person desiring to address the Board on non-agenda items must also complete the "Request to Address Board" card and will be recognized at the end of the agenda. Only items directly related to District business may be presented.

Cards for these purposes are available in the Office of the Chancellor and also at the Board meeting. Completed cards should be presented to the Board President prior to
the beginning of the meeting. As a matter of courtesy, the Board encourages people to notify the Chancellor’s Office in advance of the Board meeting of their intention to address the Board. Prior to calling for a vote on an item before the Board, the Presiding Officer shall determine if speaker cards have been submitted for that item. Persons who have submitted cards prior to the consideration of the item shall be called upon by the Presiding Officer. Persons who address the Board may address only the agenda item being considered and shall have up to three minutes for comments. Should another person who has submitted a request to speak card in advance of consideration of the item wish to forego speaking on that item, he or she may grant his or her speaking time to another speaker who has also submitted a request to speak card, but in no event shall any speaker have more than two allotments (totaling up to six minutes) of speaker time on any item. However, in order to facilitate the completion of District business, the Presiding Officer may also limit the total length of time allotted to the speakers on a given topic or agenda item which may reduce the individual speaker’s time on that topic or item. Speaking too long, being unduly repetitious, or discussing irrelevancies disrupt the meeting, and may result in the forfeiture of speaking opportunities during that meeting.

The President of the Board reserves the right of determining the order of the speakers and changing the order of the agenda if it will be of benefit to the public and/or the order of the meeting.

Undue interruptions or other interference’s with the orderly conduct of Board business cannot be allowed. Defamatory or abusive personal remarks, which disturb or impede the meeting or exceed the bounds of civility necessary to the conduct of District business, are always out of order. However, the Board shall not prohibit public criticism of the policies, procedures, programs, or services of the District, or of the acts or omissions of the Board.

The President may terminate the speaker's privilege of address if after being called to order, he or she persists in improper conduct or remarks, or if the speaker fails to speak on the subject matter for which the privilege of the floor was granted.

No oral presentation shall include charges or complaints against any employee of the Board, or otherwise present information, which does not relate directly to the topic at hand or which disrupts or impedes the meeting. All formal charges or complaints against an employee, for which a specific grievance or complaint process is not otherwise available, shall be in writing and signed by the person making the charge and shall be filed with the Chancellor who shall, after investigation, take or recommend appropriate action. There shall be no oral presentation or discussion of confidential formal charges or complaints in open public meetings of the Board on non-agenda items or unless otherwise required by law.

Comments or presentations made by members of the public to the Board do not necessarily reflect the opinion of the Board or of its individual members, nor does the Board necessarily endorse or sanction such comments or presentations. Persons who
address the Board on matters of their choosing are solely responsible for the content of such comments or presentations.
