1	I could if their was some real "work" that came out of PGC	5/29/2016 12:28 AM
2	Because all the PGC information is available online, I am able to easily convey the work of the PGC to my constituency and solicit input. PGC Presenters have presented at Classified Senate meetings to encourage additional input from the Staff.	5/27/2016 11:01 AM
3	We all could do a better job.	5/13/2016 1:47 PM
4	But this is because of my existing skills and knowledge. The written reports from standing committees are very helpful because I can link them to the Senate agendas instead of trying to summarize and put them into my own words. I would like written reports to be more detailed.	5/10/2016 8:32 PM

1	Not all of the Committees of the PGC provide reports on a regular basis Committees of the PGC that provide reports on a regular basis increase my familiarity with their priorities	5/27/2016 11:01 AM
2	Some committees report very regularly, have not been so helpful.	5/13/2016 2:47 PM
3	Improvements have been made over the last year on formalizing the reporting structure from committees to the PGC, this formalization of reporting structure has lead to clearer structure of the work of the committees	5/11/2016 10:49 AM
4	Overall, there were improvements here: Planning Committee excels at this. Accreditation Committee is improving but information is process oriented and not content based. Enrollment Management is producing a plan. Diversity needs to improve the level of detail and regularity of its reports. We have been begging for some of the other committees, like CPPC and ITAC and Professional Development to be connected to PGC so that we can receive regular updates. Very disappointed that this did not happen. We missed an opportunity to hear from these groups. Seems like it could have been done in an instant.	5/10/2016 8:32 PM
