

HOEC 105 “Community Nutrition” Assignment

Assignment: Nutrition GEMS (Great Education Materials!) for Children (10 points)

DUE: _____

Explore recommended websites (see HOEC 105 webpage for links to resources), or other relevant sources to discover nutrition education ideas for children. Select one resource, activity, or teaching idea to showcase a “GEM” in class (5 minute mini-presentation). If you need copies made, please give master copy to instructor at least 1 week in advance. .

Rubric:

Criteria		Points		Points		Points
Show & Tell presentation	Creative!	5	Presentation skills are of average quality, and could be improved in two or more areas.	3-4	Lacked creativity	2 or below
	Organized				Unorganized.	
	Mechanics of presentation—excellent delivery; interesting, engaging, and interactive; good use of visual aids				Did not practice or prepare well enough	
Synopsis	Sent a brief but detailed synopsis of your GEM to instructor (in electronic form).	5	Synopsis is of average quality and needs editing.	3	Did not send a synopsis	- 5

NOTE: Send a synopsis of your GEM to instructor. Instructor will compile everyone’s GEMS so we have a resource list of great nutrition/food ideas for children. Be sure to include a brief description, website, and other pertinent information.
