

Listening for Information - Job Recruiter

Watch the video *Christine* and listen for her answers to these questions:

1. What's important about filling out a job application?
2. What information should I include on a resume?
3. What if you have no work experience?
4. What is a good way to prepare for an interview?
5. What specific information should I look for about a company?
6. How should I dress for an interview?
7. What questions could I ask in an interview?
8. Do you have any other tips or suggestions?
9. What do you say at the end of an interview?
