**LEVELS OF ESL CREDIT COURSES**

The normal sequence of courses leading to the completion of the **ESL Program is ESL 110, ESL 120, ESL 130, ESL 140, ESL 150 and ESL 160.** Students who pass **ESL 160** with a 'C' or better may use it as a pre-requisite to English 93, and then proceed through the English sequence. Students who are advised to take ESL Listening/Speaking courses (**ESL 112, 122, 132, and 142**) at the ESL Credit Placement Test should continue the sequence in subsequent semesters for best results.

**ESL 82** was discontinued as of Fall 2006, but still satisfies the written composition requirement for an AA/AS degree at CCSF if the student has 04-05 (or earlier) catalog rights, and it will satisfy the written composition transfer requirement for CSU if taken before Fall 2006.

**ESL 170**, beginning in Fall 2009, no longer satisfies the written composition requirement for an AA/AS degree at CCSF. However, students with catalog rights prior to 09-10 may still use **ESL 170** for graduation; see a City College counselor for more information. Most students who plan to transfer to a four-year college or university must complete **English 1A** and should see a City College counselor for more information.
