

## Advanced Placement (AP) and IGETC

A score of 3, 4, or 5 is required to grant credit for IGETC certification. An acceptable AP score for IGETC equates to either 3 semester or 4 quarter units for certification purposes. Each AP exam may be applied to one IGETC area as satisfying one course requirement, with the exception of Language other Than English (*LOTE*).

Students who have earned credit from an AP exam should not take a comparable college course because transfer credit will not be granted for both. Students earning scores of 3, 4, or 5 in the physical and biological science AP examinations earn credit toward IGETC Area 5 and meet the IGETC laboratory activity requirement. There is no equivalent AP exam for Area 1B- Critical Thinking/Composition requirement.

AP exams in Biology, Chemistry or Physics B allow CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For Environmental Science, Physics C: Mechanics and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification. Therefore, students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.

AP EXAMINATION	IGETC AREA	AP EXAMINATION	IGETC AREA
Art History*	3A or 3B*	U.S. Government & Politics	4H and US 2

\* AP exams may be used in either area regardless of where the certifying CCC's discipline is located. **Example:** US History at a CCC is approved for Area 3B. The US History AP may be used in Area 3B or Area 4F.

+ While a score of 3 in English Language satisfies IGETC Area 1A, some UC Campuses or Colleges, such as UC Berkeley College of Letters and Science, require an AP score of 4

or 5 to meet the equivalent of a first semester Reading and Composition course requirement (comparable to English 1A). This is a consideration if students follow the campus specific general education pattern. City College of San Francisco also requires an AP score of 4 for English 1A equivalency.

Actual AP transfer credit awarded for admission is determined by the CSU and UC. The UC Policy for AP credit can be found in the publication *Quick Reference for Counselors* at [www.universityofcalifornia.edu/counselors/educators](http://www.universityofcalifornia.edu/counselors/educators). The CSU does not have a systemwide policy. Consult individual CSU campus for the AP policy.

Note: There is no limit on the number of external exams (e.g., Advanced Placement or International Baccalaureate) that can be applied to IGETC.
