CLASSES & WORKSHOPS • www.ccsf.edu/continEd

The Continuing Education Program provides a diverse program of short-term classes, workshops, lectures, and seminars to support the public interest in culture, recreation, avocation, personal interest, and life-long education. The program is self-supporting, (not financed by public funds), and therefore is entirely dependent on class fees. The classes listed on the next 4 pages are subject to change. Additional classes and any changes will be listed in our SPRING 2009 Continuing Education schedule. The most updated information will be on the website: www.ccsf.edu/continEd and the schedule can, also, can be downloaded. Schedules may be picked up at Fort Mason Art Campus - Bldg B, the Downtown Campus, many public libraries or you may call 415 561-1860 to have one sent to you.
