In behalf of the LSN team, I would like to welcome the college community to what we anticipate will be another successful school year of educating students and providing them with the essential tools to succeed in college and beyond. LSN will continue to serve as an effective resource for students wanting to receive comprehensive services. We also continue to build stronger articulation agreements with various academic departments such as Science, Business, and Interdisciplinary Studies. Our partnerships with the Departments of English and Mathematics continue to provide opportunities for students to receive excellent instructional and tutorial support, which will enable them to progress through the necessary sequences and eventually achieve their goals of transferring or graduating from CCSF. Through our endeavors, we hope that students not only achieve their full academic potential but also become culturally enriched by participating in our active celebration of the Latino heritage!
Visit & check out LSN’s services!

- Colaboración para el éxito del estudiante incluyendo tutores específicamente para las clases
- Referencias a recursos instruccionales y servicios para aumentar el éxito del estudiante
BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

The story of Hispanics in America is the story of America itself. The Hispanic community’s values -- love of family, a deep and abiding faith, and a strong work ethic -- are America’s values. Hispanics bring together the rich traditions of communities with centuries-old roots in America and the energy and drive of recent immigrants. Many have taken great risks to begin a new life in the hopes of achieving a better future for themselves and their families.

Hispanics have served with honor and distinction in every conflict since the Revolutionary War, and they have made invaluable contributions through their service to our country. They lead corporations and not-for-profits, and social movements and places of learning. They serve in government at every level from school boards to statehouses, and from city councils to Congress. And for the first time in our Nation’s history, a Latina is seated among the nine Justices of the Supreme Court of the United States.

As Hispanics continue to enrich our Nation’s character and shape our common future, they strengthen America’s promise and affirm the narrative of American unity and progress. To honor the achievements of Hispanics in America, the Congress, by Public Law 100-402, as amended, has authorized and requested the President to issue annually a proclamation designating September 15 through October 15 as "National Hispanic Heritage Month."

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim September 15 through October 15, 2009, as National Hispanic Heritage Month. I call upon public officials, educators, librarians, and all the people of the United States to observe this month with appropriate ceremonies, activities, and programs.

IN WITNESS WHEREOF, I have hereunto set my hand this fifteenth day of September, in the year of our Lord two thousand nine, and of the Independence of the United States of America the two hundred and thirty-fourth.

BARACK OBAMA
Carlos Romero started his counseling internship with LSN this semester with an eagerness to learn more about the department, increase his knowledge of student counseling and outreach, and share his enthusiasm for helping students succeed in college. As a graduate of UC Santa Barbara, Carlos is now in the process of obtaining a Master's in Counseling with specialization in college counseling from San Francisco State University. Carlos is also happy to return to CCSF as a former CCSF student, working with LSN counselors and assisting the department with outreach and counseling activities. Carlos’ energetic approach to his internship is equally met by his adept knowledge in the field. Additionally, he truly enjoys working with students and helping them achieve their goals. Please stop by our department to meet Carlos!
